Public Service Commission of South Carolina

RE: *Petition for Declaratory Order with Verification of Orangeburg County Solar Project, LLC and Orangeburg South Solar Project, LLC, both Wholly Owned Subsidiaries of Savion, LLC, Docket 2021-114-E*

Dear Ms. Boyd:

On April 21, 2021, I wrote to advise the Commission that counsel for the parties in this matter had conferred and were working cooperatively to explore the issues in the docket. I also indicated I would update the Commission by May 31, 2021, regarding the status of this matter.

The Petitioner and staff of the South Carolina Office of Regulatory Staff (“ORS”) have met to discuss the Petition. After that meeting ORS propounded its First and Continuing Request for Production of Books, Records, and Other Information. The Petitioner responded and earlier today, May 28, 2021, ORS issued its Second and Continuing Request for Books, Records and Other Information.

The Petitioner intends to respond promptly to the Second Request and then anticipates conferring with the ORS again to determine whether all the parties might collectively propose a consent order for the Commission’s consideration. The Petitioner would like to present a proposed consent order (or an update reporting progress toward the same) to this Commission before June 30, 2021.

If I may address any questions or if the Commission prefers the parties proceed otherwise, please do not hesitate to contact me.

Sincerely,

/s/

Thomas P. Gressette, Jr.
